¹Cash Rewards: "Cash Back Rewards" are the rewards you earn under the program. Cash Back Rewards are tracked as points and each \$0.01 in Cash Back Rewards earned is equal to 1 point. You may simply see "Cash Back" in marketing materials when referring to the rewards you earn. Merchants are assigned codes based on what they primarily sell. Elan Financial Services cannot control how merchants choose to classify their business and reserves the right to determine which purchases qualify. A purchase will not earn additional points if the merchant's code is not eligible. You will earn 1 Reward Point ("Point") for each dollar of eligible Net Purchases charged to your Account during each billing cycle. You will also earn 2 additional Points (for a total of 3 Points) for each dollar of Net Purchases charged to your Account during each billing cycle at merchant locations that are classified in the merchant category code as office supplies or cellular phone, landline, internet and cable TV services. In addition, you will earn 1 additional Point (for a total of 2 Points) for each dollar of Net Purchases charged to your Account during each billing cycle at merchant locations that are classified in any of the following merchant category codes: automated fuel dispensers and service stations or restaurants. The number of additional Points earned on office supply store purchases, cellular phone, landline, internet and cable TV services, automated fuel dispensers, and service stations or restaurants is unlimited. Points expire five years from the end of the quarter in which they are earned.

²Reward points can be redeemed as a cash deposit to a checking or savings account with this Financial Institution only within seven business days or as a statement credit to your credit card account within one to two billing cycles. First purchase bonus points will be applied 6–8 weeks after first-purchase and are not awarded for balance transfers or cash advances. First-use bonus points are awarded only on the Authorized Officer purchases. If you're approved for a new Business Rewards PLUS, one-time bonus points will be awarded after eligible net purchases totaling \$2,000 or more are made to your account within three months from account opening. Please allow 6–8 weeks after you have met the spend requirement for your bonus points to be credited to your account.

³Real Rewards: You will earn 1.5 Reward Points ("Points") for each dollar of eligible Net Purchases made with your Account within a billing cycle (equal to 1.5% cash back). Monthly net purchase points will be applied each billing cycle. Points expire five years from the end of the quarter in which they are earned.

⁴Rewards PLUS: Points expire five years from the end of the quarter in which they are earned. You will earn 1.5 Reward Points ("Points") for each dollar of eligible Net Purchases made with your Account. You may earn additional Points for purchases at merchants that are classified as: airlines, cellular phone services, or hotels (each, a "Category"). You will earn an additional 1.5 Reward Points (for a total of 3 Reward Points) for each dollar of Net Purchases in the one Category that has the highest total Net Purchases charged to your Account (the "Highest Category") during each billing cycle.

⁷Certain terms, conditions and exclusions apply. Please refer to your guide to benefits that will be mailed with your new card for further details and to determine if the Auto Rental Coverage is right for you.

The Elan Rewards Program is subject to change. Rewards are earned on eligible net purchases. Net purchases are purchases minus credits and returns. Not all transactions are eligible to earn rewards, such as Advances, Balance Transfers and Convenience Checks. Upon approval, see your Card member Agreement for details. You may not redeem Points, and you will immediately lose all of your Points, if your Account is closed to future transactions (including, but not limited to, due to Program misuse, failure to pay, bankruptcy, or death).
